The diffuser of the botanical archipelago will smell the house with wonderful, natural scents that will help you relax and relax after a tiring day, set a romantic mood or welcome guests home. Four Archipelago Reed Diffuser Ranges Archipelago Botanicals AB Home Diffusers These diffusers are available in different sizes and in over 17 delicious fragrances, so you are sure to find the perfect one for your home. The most popular fragrances in this offer are eucalyptus (pictured right), Jasmine and Verbena. If you want to browse all the fragrances available in this range, here is a link archipelago botanicals diffuser range archipelago tour diffusers There are 16 fragrance options for this range and they are in 8.2 fl.oz bottles and there are also cartridges available. You can see the range available here. The smaller size, called Excursion Travel, is available in twenty-two different fragrances, each holding 1.6 ounces. The neat thing about the pitch is that each diffuser comes with five sets of diffuser reeds that are disposable. Place the fragrance diffuser anywhere on the go and during packaging, dispose of the reeds and re-seal the leak-proof bottle. It only takes a few seconds, so you can take your favorite fragrance with you and take the scent of your home anywhere in the world. Excursion diffuser cartridges are an economical way to replenish the fragrance after you spend it. Each cartridge has 7.85 fl oz and there are currently 13 different cartridges available for this range. The most popular fragrance in this collection on Amazon.com, is called Kashmir. It will immerse your home with the scent of paradise on Earth. Orange blossoms, sandalwood and Vanilla Cashmere are combined to create our Cashmere-inspired diffuser reeds. This warm and refreshing blend of fragrances will fill your home with a touch of paradise that will last for months. The last collection is a series of Signature Archipelago Diffusers. Fifteen different fragrances in this collection are delivered in diffuser bottles, each of which has 7.85 fl oz. These are long-lasting fragrances that will fill your home with delicious perfumes for several months. When the smell is released, or you want to change, there is a range of signature cartridges, also holding 7.85 fl oz with which you can supplement the diffuser. Replacement sensations are also available if you want to change to a different smell or feel that tears are now also issued. As you can see, there is an Archipelago Botanicals Diffuser for every taste, every room in the house and even take with you while traveling. This, combined with the stylish design of the diffuser packaging and bottles, long-lasting fragrances and excellent value for money – especially when buying them from Amazon, makes it Archipelago diffuser ideal choice, whether to maintain or to give. Each Archipelago botanical candle is hand-poured and uses only the best ingredients and fragrance oils. Made from a premium wax blend containing more than 50% natural soy wax, Archipelago plant candles burn longer and cleaner than regular candles. Take one home with you today! Botanical Archipelago diffusers also offer diffusers in every fragrance. Diffusers are a good alternative to traditional candles, because they provide a way to constantly fill your home or space with your favorite fragrance, without flame. We have both large and small sizes of diffusers, making them ideal for any room or space. We wear two lines of diffusers that are created by archipelago: The Signature Collection, which consists of scents that are more fresh and fruity, such as Blackberry Sage and our most popular Mango Mandarin. The Tour Collection is a more exotic line with scents such as Havana and Madagascar. We also receive special fragrance editions and holiday collections.
